

Questions and Response

RFP 2025-02 Temporary Staffing and Payroll Services

1. Please provide examples of Rental/Communication equipment that employees may need.

Some of this is driven by the worksites that are engaged after a disaster. After Hurricane Ian – a box rental truck and a pick up truck were rented for a period of time and driven by the temp job participant.

Depending on worksite and jobs needed safety gear might be needed or tools for clean-up.

2. What was the total spend for the NEG last year 2024-2025?

Hurricane Ian 24-25 \$609,517

Opioid 24-25 \$ 102,200

Hurricane Helene/Milton \$255,494

3. What will the pay ranges be for the positions listed - exp. (Construction Management, Painting Noc & Shop Operations, Building or property management, etc.

The participant pay rate is based on the going rate for the worksites for the same type of position. Hourly pay rates are based on worksite's current employees doing a similar job. Participant pay rates range from \$17 per hour to \$30 per hour depending on the position at worksite.
